

## BIRTHDAY CELEBRATIONS

We celebrated **Lia's** Birthday at T-Rex with ribs, ribs, ribs. It was finger-lick'n' good. A few late night surprises followed, but all managed to come into work with smiles on their faces the next morning.

We also celebrated **Nada's** Birthday with a spicy time at Khana Peena Indian Cuisine. A good time was had by all, with much sampling and sharing up and down the table. Nada's kitty received much attention that day. Be careful Nada... what goes around, comes around.

Cafe Rouge offered sumptuous entrees and a great Pinot Noir for **Pauli's** celebration. Balcony seating and a star-lit skylight provide a lofty ambience to help set the festive mood.

**Richwood's** fancy guided us to Pasta Pomadora. It was a 'Giant' (jersey) success. Without Alastair, the final burden fell on Skip and he handled it "arithmetically".

**Graham** closed out the month with a birthday lunch at Macaroni Grill. Chianti, calamari rings, a flaming pyramid, a candelabra, and mural covered placemats were just a few of the many moments captured on film.
